IMPACT REPORT

THE COURAGE TO BEE, INC.

MESSAGE FROM OUR FOUNDER

A YEAR OF TRANSFORMATIVE ACHIEVEMENTS

We are delighted to present the Impact Report for 2023, showcasing the remarkable progress and transformative achievements made possible by your unwavering support and commitment to The Courage to Bee (TCTB). This year has been marked by substantial growth, meaningful partnerships, and impactful initiatives that have furthered our mission of providing quality education to children in need.

As we celebrate 4 impactful years, reaching 2,500 students across various regions, the joy of transformative experiences highlights the breadth of our collective impact. A heartfelt thanks to each of you for your contribution. I am renewing my commitment to the entire TCTB community, and I hope you are inspired to do the same.

Kerlin Sabogal

TCTB Founder and Executive Director

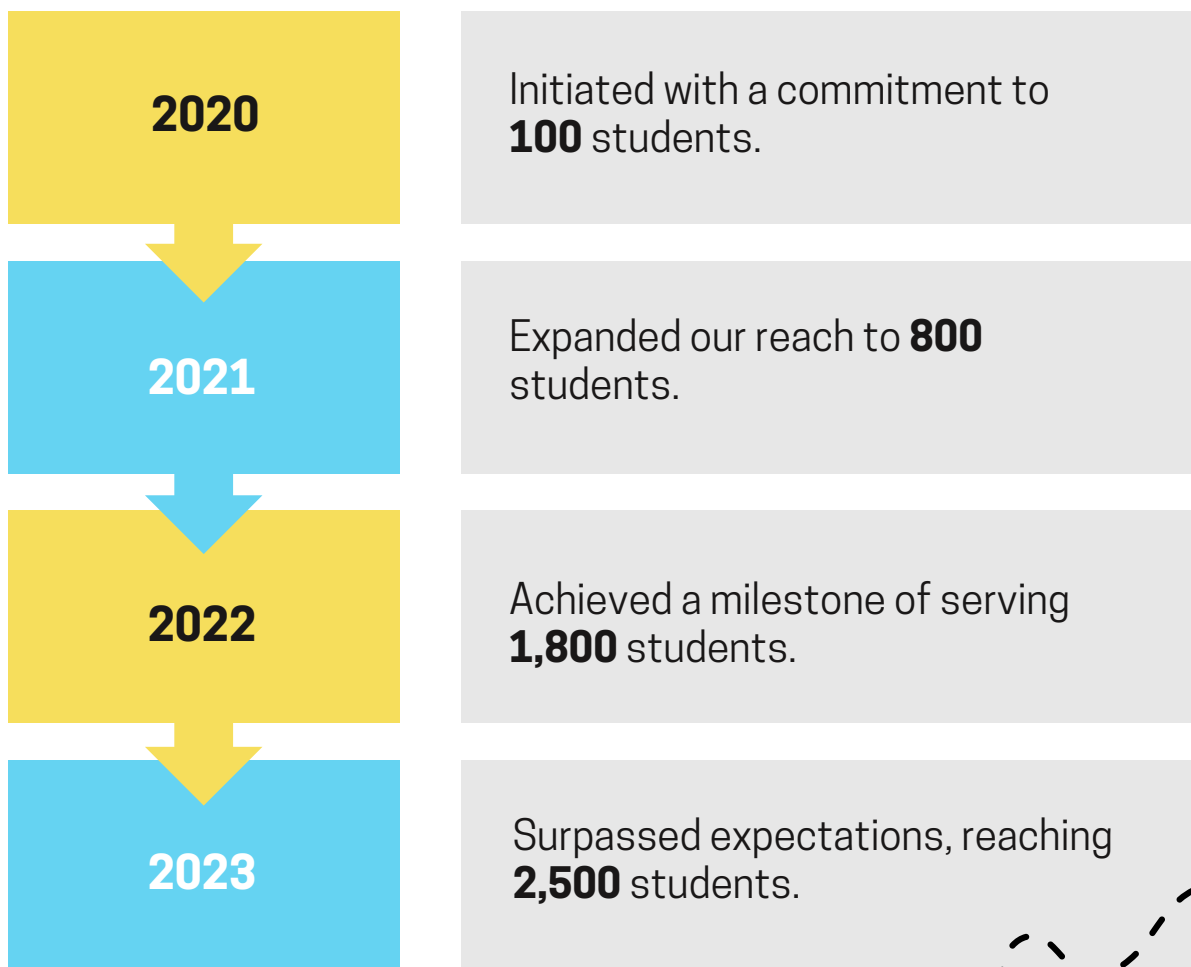

This report reflects the tremendous impact your support has had on the lives of thousands of children and communities. As we look forward to the coming years, your continued partnership will be instrumental in creating a brighter future for those we serve.

DESTINATION OF YOUR DOLLARS & INKIND DONATIONS

Our mission is deeply rooted in the commitment to provide quality education and transformative opportunities for students from low-income families. Through collaborative efforts with schools and school districts, we aim to enhance educational opportunities, fostering school persistence, and ultimately contributing to successful completions.

When you choose to donate to TCTB, you become a catalyst for sustainable change in the lives of students and communities, both locally and on a global scale. Your dollars directly translate into tangible impact, supporting initiatives that reach our local community and across borders to countries like the Dominican Republic and Honduras.

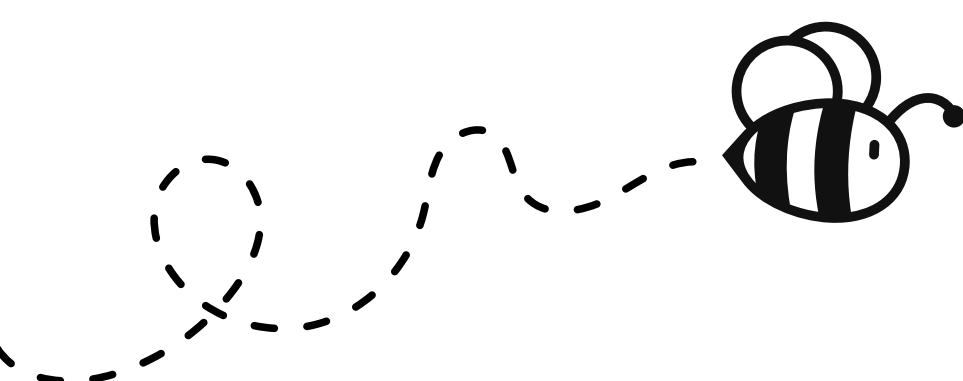

Your generous contributions play a crucial role in:

- **Enhancing Educational Opportunities:** Your contributions empower TCTB to collaborate with schools and districts, implementing innovative programs for a comprehensive and enriching learning experience.
- **Fostering School Persistence:** Create an environment that motivates students to persist in their educational journey. Your donations directly support initiatives addressing challenges faced by students from low-income families, promoting resilience.
- **Global Impact:** TCTB extends its influence to countries like the Dominican Republic and Honduras, with your dollars serving as a bridge, connecting communities across borders and fostering educational advancements worldwide.
- **Creating Sustainable Change:** Your investment in education through TCTB breaks the cycle of poverty, as we are dedicated to fostering sustainable change, leaving a lasting impact on lives and building a foundation for a brighter future.

2024 GOALS

SHAPING A FUTURE OF EMPOWERMENT AND GROWTH

Our goals for the upcoming year reflect a strategic vision aimed at expanding our reach and enhancing the scope of our programs. In a professional pursuit of excellence, we are pleased to share our objectives for the year ahead.

01. Launch Sports for Bees Program in Houston & Dominican Republic.

Recognizing the significance of sports in holistic development, TCTB is set to officially launch the Sports for Bees program in Houston. This initiative aims to not only promote physical well-being within our local students but also secure resources for athletes in the Dominican Republic, furthering our commitment to support talent and dreams.

02. Open Mochilas & Technology for Bees Program in Honduras

TCTB is dedicated to extending its reach to Honduras, opening doors for the Mochilas & Technology for Bees program to positively impact students in this region. This expansion aligns with our mission to provide quality education globally.

03. Expand Mochilas for Bees Program in Houston.

Building on our successful initiatives in Houston, we aspire to broaden the impact of the Mochilas for Bees program. Our goal is to increase the number of students served, ensuring more children receive the essential resources for a fulfilling educational journey.

04. Provide Laptops to a Dominican Republic school with the Technology for Bees Program

TCTB recognizes the importance of technological empowerment in education. In collaboration with the Technology for Bees program, we aim to donate 18 laptops to a school in the Dominican Republic, fostering digital literacy and access to modern learning tools.

05. Launch Financial Literacy Program for 6th Graders in Partnership with HISD and a Financial Corporation

Education extends beyond traditional classrooms, and financial literacy is a crucial skill. TCTB is proud to launch a 6-week financial literacy program for 6th graders, in collaboration with HISD and a financial corporation, equipping students with essential skills for a financially secure future.
